OBJECTIVE

Software developer with a strong foundation in data structures, database systems, and core computing concepts, complemented by practical experience in web application development and exposure to Artificial Intelligence fundamentals. Focused on developing reliable, well-structured software systems through analytical problem-solving.

TECHNICAL SKILLS

Programming: C, Java, Python, PHP, JavaScript

Web & Databases: HTML, CSS, MySQL, Web Application Development

Core Computer Science: Data Structures & Algorithms (DSA), Operating Systems (OS), Database Management Systems (DBMS), Computer Organization and Architecture (COA)

Theory & Systems: Compiler Design (CD), Theory of Computation (TOC), Computer Networks (CN)

Tools: Git, GitHub, Visual Studio Code, Linux Environment

ACADEMIC PROJECTS

Electricity Theft Detection System (Machine Learning)

- Developed a predictive model to identify anomalies and potential electricity theft in grid data using Python.
- Analyzed energy consumption patterns and implemented data-driven logic for detection accuracy.

Coding Practice Platform (Full Stack)

- Developed a structured web-based coding interface using PHP and MySQL.
- Implemented backend validation logic and database connectivity for real-time practice sessions.

EXPERIENCE & CERTIFICATIONS

ODCET Technologies – AI Intern

Online Internship

- Completed a three-month internship focused on Artificial Intelligence fundamentals and structured project implementation.

Skill Dunia – Artificial Intelligence Certification

- Successfully completed a professional certification program covering core AI principles.

EDUCATION

IIIT RGUKT Basar – B.Tech in Computer Science Engineering

2023 – 2027

Current CGPA: 8.7

Basar, TS

IIIT Basar – Pre-University Course (PUC)

2021 – 2023

CGPA: 9.32

Basar, TS

ZPHS Gopalraopet – SSC

2021

CGPA: 10.0

Telangana

ACHIEVEMENTS

- Secured POLYCET Rank 1668 in state-level competitive examination.
- Achieved Meritorious Position in Mathematics Olympiad.
- Recognized for performance in State-Level Science Fair by Government authorities.

STRENGTHS & HOBBIES

- Strengths:** Analytical Problem Solving, Disciplined Implementation, Quick Learning, Adaptability.
- Hobbies:** Watching movies, Playing cricket, Listening to songs.
